

NOTIFICATION FROM FINDLAY POLICE DEPARTMENT

(April 3, 2013)

There are countless telephone scams that are used by criminals to obtain personal information or financial information, which they then utilize to access the victim's financial accounts.

Recently, Findlay Township Police received a report of a call made to a resident warning of a dangerous computer virus. Before the caller could obtain any information, the resident ended the call.

Findlay Township Police would like to remind all residents that they should never provide any identification or financial information to anyone who contacts them via telephone.
